

Brixham Trawler Race – 18th June 2016

The 54th annual Brixham trawler race took place on Saturday 18th June this year and CMS were again invited to join the owner of the “CHRISTINA”

Skippers dress their vessels with bunting and battle it out with a two lap race around the Bay starting off at Battery Gardens just outside Brixham harbour around Torbay, Goodrington, Paignton and Torquay before turning back towards Berry Head and Brixham. After the race there are events on the vessels themselves and in the harbour, with all the money raised going to local charities
