

Rugby Match Sponsorship

On Saturday 17th January 2015, we jointly sponsored and hosted the Rugby Union South West Division League, National League 3 South West match between Brixham RFC and Barnstaple RFC.

We were joined by most of our South-West UK based Owners, Surveyors and Solicitors. The event was a huge success with the final score line being in Brixham's favour 22-17

Dated 30th January 2015

TODAY'S MATCH SPONSORS

LANGDON & PHILIP
Local trawler owners Dave and Alex have been members of Brixham RFC for many years. They continue to support the club and are today's match sponsor. One of their boats features on the front cover of our programme. We hope that their guests enjoy this afternoon's rugby.

Maritime International Solutions (Insurance Brokers) Ltd in conjunction with: Coastal Marine Services Ltd are a specialist insurer of all types of fishing vessels and small craft. Having insured Brixham based vessels for nearly 10 years we enjoy a first class reputation. Competitive premiums and efficient claims handling are the back bone of our business.

Scottish Boatowners Mutual Insurance Association – Proud to sponsor Brixham RFC. Established in 1918, a specialist marine insurer born out of the fishing industry and insuring all types of coastal tonnage. Our clients are based from Tonga to Teignmouth, although we do offer local services – wherever you are when a problem arises.

TODAY'S REFEREE- ADAM LEAL, HAMPSHIRE
Adam is one of the newest members of the South West Group. Growing up on the Isle Of Wight he took a keen interest in Rugby from the age of 13 playing rugby for several different Hampshire clubs. His playing career was cut short following repeated shoulder surgery, despite being a passionate player this is something Adam considers as a blessing in disguise prompting him to take up the whistle. Off the field he heads up a small sales team for a business helicons company and enjoys hobbies such as airsoft, touch rugby & poker. His ambition is to referee a RWC international and continue to work in and develop rugby and officiating for many years to come.

Today's half time collection is being taken South Devon Kidney Unit. The unit has 24 dialysis stations and has the potential to treat up to 144 patients. It provides haemodialysis treatment for patients residing in the South Devon Healthcare NHS Foundation Trust catchment area. The unit is open 6 days a week Monday to Saturday and provides morning, afternoon and twilight shifts. Our Treasurer, Steve Shipway, is a patient at the unit and spends three mornings a week on dialysis.
